

Attention - SQ45 - Parents and Cadets

**Our tour of the Jet Propulsion Laboratory
is confirmed for Tuesday, August 21, 2012**

Sign ups are due no later than July 13th. Do not delay or you may miss out.

ROBOTICS and ROVERS - Check out futuristic test rovers in our Marscape.
Talk to JPL robotics engineers about how these robots are paving the way for
exploration on the moon, Mars and beyond.

Admission is Free!

Bring lunch money and a camera!

**Parents are invited to attend this tour. You do not need to be a CAP Member!
Members, send your CAWGF-150 to 1Lt. Joe Villareal at Jmvillareal@aol.com**

- All US citizens 18 years of age or older visiting JPL **MUST** present official, government-issued photo identification, such as a **driver's license or passport**, before being allowed entry.

•

The project officer will require the full name and country of citizenship for all adults. All non-US citizens (Foreign Nationals) 18 years of age or older MUST present either a passport or resident visa (green card) before being allowed entry. Individuals without the appropriate identification will NOT be admitted to the facility.

The tour will last from 9:30a.m. to 12:00p.m.
and includes considerable walking and stair climbing

If you require transportation, or if you have extra seats in your vehicle and can give someone a ride, Please email 1Lt. Joe Villareal at Jmvillareal@aol.com

There is a maximum attendance of 40 and space is filling up fast.
